

## Produktdatenblatt

### Product Data Sheet

#### 2xUSB Schutzkontakt-Steckdose 2800mA Schwarz

## Basis Daten

### Base Data

|                                                   |                                               |
|---------------------------------------------------|-----------------------------------------------|
| <b>Artikelnummer</b><br><i>Articlenumber</i>      | USB1002                                       |
| <b>Hersteller</b><br><i>Manufacturer</i>          | LEDmaxx                                       |
| <b>Marke</b><br><i>Brand</i>                      | LEDmaxx                                       |
| <b>Gehäusematerial</b><br><i>Housing material</i> | Kunststoff / Metall<br><i>plastic / metal</i> |

## Elektrische Daten

### Electrical Data

|                                                              |                                      |
|--------------------------------------------------------------|--------------------------------------|
| Betriebsspannung in V<br><i>Operating voltage</i>            | max. 250V/AC · 50/60Hz               |
| Netzsteckdose Output<br><i>Mains socket output</i>           | max. 4000W (250V AC · 50/60Hz · 16A) |
| USB Output<br><i>USB Output</i>                              | 5V DC · max. 2800mA · 14W            |
| Betriebstemperatur in °C<br><i>Working temperature in °C</i> | -10 ... +40                          |

## Abmessungen und Gewicht

### Dimension and Weight

|                                                      |         |
|------------------------------------------------------|---------|
| Breite in mm<br><i>Width in mm</i>                   | 80      |
| Höhe in mm<br><i>Height in mm</i>                    | 80      |
| Tiefe in mm<br><i>Depth in mm</i>                    | 50      |
| Einbautiefe in mm<br><i>Installation Depth in mm</i> | ca. 43  |
| Rahmenmaß in mm<br><i>Frame size in mm</i>           | 80 x 80 |
| Nettogewicht in g<br><i>Net. Weight in g</i>         | 120     |

## Bestellungen und Verpackungsinformation
